What Customers Ask ?

What industries use wire rod the most?

Wire rod is commonly used in construction, infrastructure, fabrication, and manufacturing industries for producing a wide range of steel products.

What sizes of wire rod are available?

We supply wire rod in standard sizes ranging from 5 mm, 5.5mm, 6mm, 7mm, 8mm, 9mm, 10mm, 12 mm, suitable for various industrial and construction requirements.

Can a wire rod be ordered along with other steel products?

Yes, you can combine wire rod with TMT bars, pipes, angles, channels, and other steel materials in one truckload.

Do you supply primary brand wire rod?

Yes. We supply primary brands like SAIL and RINL, along with approved secondary/rerolled brands, depending on stock availability and location.
